EAST CARROLL, MADISON, AND TENSAS, LOUISIANA  
NOTES TO THE FINANCIAL STATEMENTS  
AS OF AND FOR THE YEAR ENDED DECEMBER 31, 2002**

**INTRODUCTION**

The Sixth Judicial District Indigent Defender Board ("The Board"), established in compliance with Louisiana Revised Statutes 15:144-149, provides counsel to represent indigents (needy individuals) in criminal and quasi-criminal cases at the district court level. The judicial district encompasses the Parishes of East Carroll, Madison, and Tensas, Louisiana. The Board is composed of three members who are appointed by the district court. The Board members serve without compensation. Revenues to finance the Board's operations are provided primarily from court costs on fines imposed by the various courts within the district, bail bond revenues and Louisiana Indigent Defender Board grants. The Board has one employee who serves as an investigator and three attorneys who serve as indigent defenders.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**A. Basis of Presentation**

The accompanying general purpose financial statements of the Sixth Judicial District Indigent Defender Board have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles.

**B. Reporting Entity**

As the governing authority of the parish, for reporting purposes, the East Carroll, Madison, and Tensas Parish Police Juries are the financial reporting entities for the respective Parishes. The financial reporting entity consists of (a) the primary government (Police Jury), (b) organizations for which the primary government is financially accountable, and (c) other organizations for which nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED**

*Governmental Accounting Standards Board Statement No. 14* established criteria for determining which component units should be considered part of the East Carroll, Madison and Tensas Parish Police Juries for financial reporting purposes. The basic criterion for including a potential component unit within the reporting entity is financial accountability. The GASB has set forth criteria to be considered in determining financial accountability. This criteria includes:

- 1) Appointing a voting majority of an organization's governing body, and
  - a) The ability of the Police Jury to impose its will on that organization and/or
  - b) The potential for the organization to provide specific financial benefits to or impose specific financial burdens on the Police Jury.
- 2) Organizations for which the Police Jury does not appoint a voting majority but are fiscally dependent on the Police Jury.
- 3) Organizations for which the reporting entity's financial statements would be misleading if data of the organization is not included because of the nature or significance of the relationship.

Because the Police Jury's relationship with the district court system includes indigent defender boards, the Indigent Defender Board was determined to be a component unit of the East Carroll, Madison, and Tensas Parish Police Juries, the financial reporting entity.

The accompanying financial statements present information only on the funds maintained by the Indigent Defender Board and do not present information on the Police Jury, the general government services provided by that governmental unit, or the other governmental units that comprise the financial reporting entity.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED**

**C. Fund Accounting**

The Board uses a general fund, special revenue fund, and an account group to report on its financial position and the results of its operations. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions relating to certain government functions or activities.

A fund is a separate accounting entity with a self-balancing set of accounts. On the other hand, an account group is a financial reporting device designed to provide accountability for certain assets and liabilities that are not recorded in the funds because they do not directly affect net expendable available financial resources.

**D. General Fixed Assets**

Fixed assets (equipment) are capitalized in the general fixed assets account group rather than in the General Fund. Public domain or infrastructures are not capitalized. Interest costs incurred during construction are not capitalized. No depreciation has been provided on general fixed assets. All fixed assets are valued at historical cost and recorded as expenditures at the time of purchase and the related assets are capitalized (reported) in the general fixed assets account group. The account group is not a fund. It is concerned only with the measurement of results of operations.

**E. Basis of Accounting**

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. The General Fund and Special Revenue Fund are accounted for using current financial resources measurement focus. With this measurement focus, only current assets and current liabilities are generally included on the balance sheet. The operating statement presents increases and decreases in net current assets. The modified accrual basis of accounting is used by the General Fund and Special Revenue Fund. The governmental funds use the following practices in recording revenues and expenditures:

**Revenues**

In the General Fund, court costs on fines and forfeitures imposed by the district and city courts and bail bond revenues are recorded in the year they are collected by the tax collectors or Parish Sheriff.

AS OF AND FOR THE YEAR ENDED DECEMBER 31, 2002**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED**

In the Special Revenue Fund, all of the Felony Defense revenues are recognized when received since they have also been earned.

Expenditures

Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred.

F. Budget Practices

The Indigent Defender Board complied with the Local Government Budget Act.

G. Cash

Cash includes amounts in demand deposits. Under state law, the district may deposit funds in demand deposits, interest bearing demand deposits, money market accounts, or time deposits with state banks organized under Louisiana law or of any other state of the United States or under the laws of the United States.

H. Vacation, Sick Leave, and Pension Plan

The Indigent Defender Board has one employee who is not currently under a formal; vacation, sick leave, or pension plan.

I. Encumbrances

The Board does not utilize encumbrance accounting.

J. Total Column on Balance Sheet

The total column on the statement is captioned Memorandum Only to indicate that it is presented only to facilitate financial analysis. Data in this column does not present financial position or results of operations in conformity with generally accepted accounting principles. Neither is such data comparable to a consolidation.

AS OF AND FOR THE YEAR ENDED DECEMBER 31, 2002**

**2. CASH**

At December 31, 2002, the Board has cash (collected bank balances and carrying value) totaling \$7,466 in demand deposits and \$66,722 in interest-bearing demand deposits. These deposits are stated at cost, which approximates market. Under state law, these deposits (or the resulting bank balances) must be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the fiscal agent. These securities are to be held in the name of the pledging fiscal agent bank in a holding or custodial bank that is mutually acceptable to both parties. These deposits are secured from risk by federal deposit insurance at December 31, 2002.

**3. CHANGES IN GENERAL FIXED ASSETS**

There were no changes in general fixed assets (equipment) for the year ended December 31, 2002.

**4. LEASES**

The Indigent Defender Board does not have any capital or operating leases at December 31, 2002.

**5. LITIGATION AND CLAIMS**

There is no pending litigation against the Indigent Defender Board at December 31, 2002.

**6. CONTINGENCIES**

The Board receives State Grants for specific purposes that are subject to review and audit by State agencies. Such audits could result in a request for reimbursement by the State for expenditures disallowed under the terms and conditions of the appropriate agency. In the opinion of the Board, such disallowances, if any, will not be significant.

**7. PER DIEM**

There were no per diem amounts paid during the year to Board members for their service on the Board. Board members may serve as indigent defenders and are compensated for their professional services.
